

## **“The best is yet to come”**

The high season has nearly come to an end. Now is the time of year to enjoy all the best of the coast. Parking your car in Guardamar is much easier from now on, the beaches are easier to reach and the water temperature is still lovely. Most people here in Spain are saying that September and October are the best months of the year because of this.

A lot of you have already noticed that we made some changes in our furnishing. Since June we have some beautiful new chairs which is another step to improve and develop Restaurante La Vuelta. A place to give you and your guests a very welcome and pleasant feeling during your stay in Spain.

Our program for the next month:

### **Tribute night**

Enjoy superb live performances of Frank Sinatra, Neil Diamond and Karen Carpenter

Wednesday 15 September

### **Around the world in 6 dishes**
